MAKE YOUR LIFE THE BEST IT CAN BE!

Each new day is a blank page in the diary of your life.
The pen is in your hand, but the lines will not all be written
the way you choose;

Some will come from the world and the circumstances
that surround you. But for the many things that
are in your control, remember this...

The secret of life is in making your story as
beautiful as it can be

Write the diary of your days and fill the pages with words
that come from the heart.

As the pages take you through time, you will discover
paths that will add to your happiness and your sorrows,
but if you can do these things, there will always
be hope in your tomorrows.

Follow your dreams. Work hard. Be kind.

This is all anyone could ever ask:

Do what you can to make the door open on a day
that is filled with beauty in some special way.

Remember: goodness will be rewarded.

Smiles will pay you back.

Have fun. Find strength. Be truthful. Have faith.

Don't focus on things you lack.

Realise that people are the treasures in life
and happiness is the real wealth.

Have a diary that describes how you are doing your best,
and..... The rest will take care of itself.
